

Queen Anne Fireside Chair

[Call for Pricing](#)

This traditional High Seat Chair range represents fantastic value for anyone who wants to make sitting a pleasure not a problem. Designed with the elderly in mind, the Restwell Range offers fireside elegance with excellent head, neck and lumbar support. With soft, inviting seats and back cushions they have been designed for hours of comfortable relaxation.

- Fully sprung platform, luxury tapered seat cushion and an inviting back cushion will provide many an hour of great comfort and support.
- Built on the sturdiest of frames for maximum stability, represents an important safety feature.
- The seat cushions is reversible for even wear and removable for easy cleaning.
- The chairs are available in Sage, Terracotta(as pictured), Rose and Gold colour fabrics.
- They will provide years of lasting comfort and support, with the highest standards in upholstery detail.
- The range provides a choice of seat heights to help make sitting and rising as easy as possible.
- The high back and elegant padded wings provide extra support, comfort and protection against draughts for the head, neck and shoulders.
- Fine fillings ensure that you are nestled in comfort.
- All fabrics and foams meet the UK Furniture and Fire Regulations.
- Optional foot stool available in all colours.
