## Scooter Mate

[Call for Pricing](#)

The Scooter Mate is made from heavy duty shower proof nylon with snug fitting hood which won't blow off in windy conditions, the elasticated cuffs prevent wind and rain seeping in, and its neckline zip makes it easy to put on and take off. One size fits all.

The Scooter Mate is for use with all types of scooter. Its draught free back panel fits the back of the chair and an elasticated hem prevents the cover from getting caught in the wheels and also reduces draughts. Velcro sealed slots allow easy access to the left or right hand controls.
